2013 WASA Honorary Awards
Region Awards Nomination Form

Call for REGIONWIDE Nominations

Throughout its history, WASA has been involved in honoring and recognizing outstanding educational administrators and those individuals in other professions who have made extraordinary contributions to K–12 education. The association annually presents nine awards to recognize people and groups who have impacted education in the state of Washington. These include four statewide awards: Golden Gavel, Barbara Mertens Legacy, Service to WASA, and WASA Leadership. The region awards include the Award of Merit, Student Achievement Leadership, Community Leadership, Twenty-Year, and Retirement.

Region awards will be presented at individual region awards ceremonies during the spring. Please see the chart below for your region's Honorary Awards Committee representative and the deadline to submit a nomination.

WASA members are encouraged to send in nominations for the various awards. Previous nominations may also be resubmitted.
