### Senate Republican Releases 2017–19 Budget Proposal

This morning the Senate Republicans released their 2017–19 Operating Budget proposal. Quickly turning around, they heard the budget in the Senate Ways & Means Committee. They are scheduled to take executive action in committee tomorrow.

Given the short turnaround time, we are not able to provide a review of the budget yet. We will provide a full analysis tomorrow. For those of you who want more details immediately, the Legislative website has a series of resources. Included are: the full proposed budget bill; proposed substitute SB 5048; an overview of the proposal; and a complete agency detail.

All the materials are available at the [Legislative Evaluation and program committee](#) (LEAP).
